- Click the drop down arrow. and Click on the **Cancel subscription**

- Click on the **Cancel Subscription**

If you cancel your subscription, your connection will be left unprotected and vulnerable to security threats. We strongly recommend against cancelling your subscription if you value your online security.

- Click on the **Cancel Subscription**, and Click **Submit**.

NOTE

Once the Auto-renewal is cancelled you won't be charged again after the completion of your billing cycle.

- How to Renew Manually?

You are done with the cancellation, you will not be charged any further. But if you would like to renew your subscription manually, you can follow [this simple guide](#).
