

Android Setup Guide

Things to Consider:

Before you begin, please make sure that:

- You have a working internet connection
- An android device (Smartphone, Tablet etc.)
- A Premium PureVPN account (if you haven't bought it yet, [click here](#) to buy)

Setting PureVPN on Android is very simple. You may use PureVPN by our App which is recommended OR you can also set it up manually on your android device.

Download PureVPN App (Recommended)

Manual Setup Guides:

Some users experience connectivity issues when they try to connect with our app. Such users are advised to setup PureVPN Manually on their android device.
