

How to add a new team member

1 Click Team Members button.

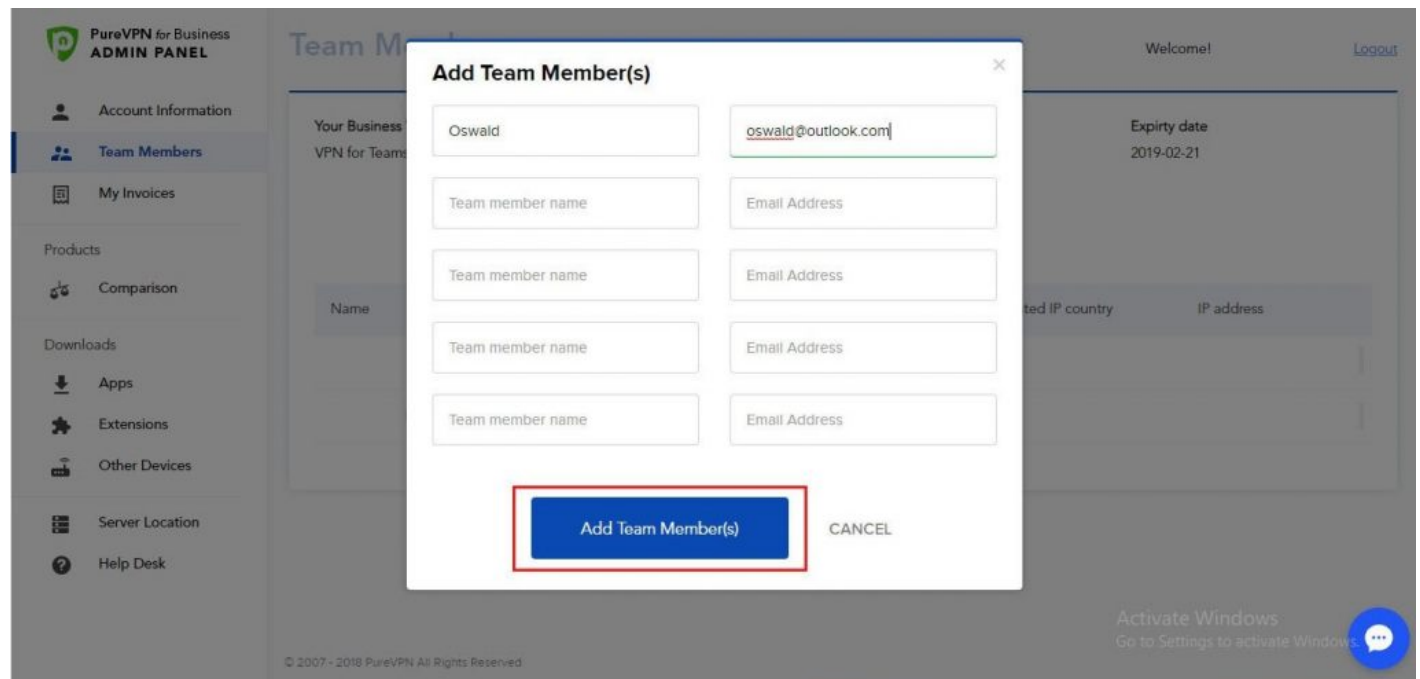

The screenshot displays the PureVPN for Business Admin Panel. The left sidebar contains a navigation menu with the following items: Account Information, Team Members (highlighted with a red box), My Invoices, Products, Comparison, Downloads, Apps, Extensions, Other Devices, Server Location, and Help Desk. The main content area is titled 'Account Information' and includes a 'Welcome!' message and a 'Logout' link. It is divided into two sections: 'Business Info' and 'Business VPN Account Details'. The 'Business Info' section contains fields for Name on the account (Ab), Company, Industry (Empty), Email address (abc@gmail.com), Country (US), and Phone number (+1.91919191). The 'Business VPN Account Details' section shows the Business VPN plan name (VPN for Teams), Team members (2 of 5 members created), Expiry date (2019-02-21), Admin panel username (abc@gmail.com), and Admin panel password (masked with dots). An 'Add Member' button is visible under the Team members section. At the bottom of the page, there is a copyright notice: '© 2007 - 2019 PureVPN. All Rights Reserved' and a Windows activation watermark: 'Activate Windows - Go to Settings to activate Windows.'

2 Click Add Account button to add a new user.

3 Add user details and click Add Team Member(s).

4 Team member has been successfully created.
