

# How to Check Your Account Information on PureVPN Business Subscription

1 Click **Account information**. Your package details will appear on this screen.

The screenshot shows the 'Account Information' page in the PureVPN Business Admin Panel. The page is divided into two main sections: 'Business Info' and 'Business VPN Account Details'. The left sidebar contains navigation options: Account Information (selected), Team Members, My Invoices, Products, Comparison, Downloads (Apps, Extensions, Other Devices), Server Location, and Help Desk. The 'Business Info' section displays fields for Name on the account (Ab), Company, Industry (Empty), Email address (abc@gmail.com), Country (US), and Phone number (+1.91919191). The 'Business VPN Account Details' section shows the Business VPN plan name (VPN for Teams), Team members (2 of 5 members created, with an 'Add Member' button), Expiry date (2019-02-21), Admin panel username (abc@gmail.com), and Admin panel password (masked with dots). The page footer includes '© 2007 - 2019 PureVPN All Rights Reserved' and an 'Activate Windows' watermark.
