

## How to delete a team member

1 Click **Delete** icon to remove user.

The screenshot shows the PureVPN for Business Admin Panel. The left sidebar contains navigation options: Account Information, Team Members (selected), My Invoices, Products, Comparison, Downloads, Apps, Extensions, Other Devices, Server Location, and Help Desk. The main content area is titled "Team Members" and shows account details: "Your Business VPN Plan: VPN for Teams", "Team members created: 3 of 5 members created", "Account Status: Active", and "Expiry date: 2019-02-21". A "+ Add New Member" button is visible. A red notification bar states "VPN account has been created successfully!". Below this is a table with columns: Name, Email, VPN username, Dedicated IP country, and IP address. The table contains one entry for "Oswald" with email "oswald@outlook.com" and VPN username "purevpn0s7298788". A red square highlights a delete icon in the IP address column. At the bottom, there is a copyright notice "© 2007 - 2018 PureVPN All Rights Reserved" and a Windows activation watermark.

2 Please type in the VPN username & click **"Delete Account"**.

3 User has been successfully deleted.
