

How to Resend Invitation on PureVPN

1 Click resend the invitation button to resend credentials email to user.

The screenshot shows the 'Team Members' page in the PureVPN Admin Panel. The left sidebar contains navigation options: Account Information, Team Members (selected), My Invoices, Products, Comparison, Downloads, Apps, Extensions, Other Devices, Server Location, and Help Desk. The main content area displays account information for 'Your Business VPN Plan' (VPN for Teams), including 'Team members created' (1 of 5 members created), 'Account Status' (Active), and 'Expiry date' (2019-02-21). Below this is a '+ Add New Member' button and a success message: 'VPN account has been deleted successfully!'. A table lists team members with columns for Name, Email, VPN username, Dedicated IP country, and IP address. The first row shows 'Test Test' with email 'gute@banit.club' and VPN username 'purevpn0s7292728'. A red box highlights the 'Resend Invitation' button next to the username. At the bottom right, there is an 'Activate Windows' notification and a copyright notice: '© 2007 - 2018 PureVPN All Rights Reserved'.

Name	Email	VPN username	Dedicated IP country	IP address
Test Test	gute@banit.club	purevpn0s7292728		

2 Invitation has been resent.

The screenshot shows the PureVPN Admin Panel interface. On the left is a sidebar with navigation options: Account Information, Team Members (selected), My Invoices, Products, Comparison, Downloads, Apps, Extensions, Other Devices, Server Location, and Help Desk. The main content area is titled 'Team Members' and displays 'Your Business VPN Plan' and 'VPN for Teams'. A central white modal box with a blue border contains the text: 'Success', 'Congratulations! Your user name is sent to your Email.', and a blue 'CLOSE' button. Below the modal, a table lists team members with columns for Name, Email, VPN username, Dedicated IP country, and IP address. One row is visible with the name 'Test Test', email 'gute@banit.club', and VPN username 'purevpn0s7292728'. A red notification bar above the table states 'VPN account has been deleted'. The top right corner shows 'Welcome!' and a 'Logout' link. The bottom right corner features a Windows activation watermark and a support chat icon.
