

## How to watch Netflix via PureVPN Android Box app

Users can watch Netflix on Android Box from anywhere using PureVPN. Here's how to proceed:

1 Scroll downward in PureVPN App to view locations. Depending on the Netflix region you want to access with PureVPN, Tap Japan, US, Canada, France, Australia, Germany, Mexico, India, Turkey, Brazil, or Sweden.

2 It will take a few seconds to connect.

3 You are now connected.

4 Upon connection, access Netflix app and stream away!
