

## Supported Routers and Protocols

First and foremost, if you wish to get a pre-configured [router with PureVPN](#), feel free to visit our partner ? [FlashRouters](#)

If you want to go router shopping, then make sure that the following protocols are supported by the router:

### Protocol

### PureVPN Compatibility

PPTP

??

L2TP

?

SSTP

?

OpenVPN

??

---

## NOTE

Before configuring VPN on router please make sure that your router is not working as a modem and have PPTP and OpenVPN Client.
