

## Supported Routers and Protocols

First and foremost, if you wish to get a pre-configured [router with PureVPN](#), feel free to visit our partner- [Flash router](#)

If you want to go router shopping, then make sure that the following protocols are supported by the router:

Protocol	
<b>PureVPN</b>	
<b>Compatibility</b>	
PPTP	Yes
L2TP	No.
SSTP	No.
OpenVPN	Yes

**Note:** Before configuring VPN on router please make sure that your router is not working as a modem and have PPTP and OpenVPN Client.

**Supported Router Brands:**
